Scottish Tradition, *Reimagined*

For over 40 years, Ailsa Wood Products has handcrafted garden planters in the heart of Scotland's Robert Burns country.

Made in Old Dailly using traditional cooperage skills, our designs combine recycled whisky oak and premium hardwood for lasting quality **and character**.

For 2027 our range has grown to include hardwood trellis, timber troughs, oak smoker chips and Woodsure approved firewood and kindling.

The *Oak* Collection

Each of our original oak products starts life as a whisky cask, aged through many years of use in the whisky industry.

Pallet price applies to full pallets, or to a mixed **Build a Pallet** order with a minimum spend of £450.
