WE ARE **AILSA WOOD PRODUCTS**.

The UK's leading manufacturer of wooden, round tubs.

Situated in the heart of Scotland's Robert Burns' country, Ailsa Wood Products was established in 1980 manufacturing quality garden products using oak from recycled **whisky barrels**.

We are proud that all our products are hand-manufactured using traditional cooperage skills by our craftsmen on our site at Old Dailly, South Ayrshire.

In addition to our **original oak products** crafted from traditional whisky casks, we also manufacture a range of planters made from premium quality, **birch hardwood**.

Please do not hesitate to get in contact for more information.
